SEENergy
The most beautiful
and realistic word
of thought.
MATTER has FORCE,
SEENergy has FORCE.

Cosmic SEENergy results in records of bare or naked immediacy, sometimes frighteningly, sometimes startlingly. It revealed those TIME-SPACES gone by and elevates the vitality of the HERE, or NOW, and TO BE, or XEENergy.

It turns the cosmic moments into evolving patterns of atoms and molecules being with you and by your side as **S**olarly **E**arthy **E**nergies stripped back to essential patterns of **M**atter or **P**lasma, **E**nergy and **T**ime arranged **SEENergetically**. This cosmic show enables you to evaluate what feels **FAIR, HONEST** and **TRUE**, as well as supporting your timely limited life on a planet called Earth.

From its birth, "**SEENergy**" transcends as memories of been moment(s) as it has relevance for biomassic life. The astonishment of **cosmic SEENergy** is that it makes the very difficult DISAPPEAR. It stays in the brain as MEMORIES or **BRAINY SEENergies** long after the original thoughts have fallen BEENergy, in the same way that the embers of sexual love experienced hardly go out of your brain due to being a cosmic delight of multi-faceted material energies. That is why **cosmic SEENergy** virtualized as **brainy SEENergy** is compelling to **Earthonauts**. It demands a LEAP of brainy vision to understand the cosmic struggle that is gone into its forceful evolution.

Cosmic SEENergy is momentarily attuned to the multi-faceted energies of the little worlds, i.e. atoms and molecules, who are skilled enough **TO CREATE** numerous patterns of **SEENergy** from their material energies.

Something temporary and transcendent giving brainy

SEENergy the nature of a "SMOOTH OPERATOR" which is in fact an illusion of thought due to the nature of our senses.

COSMIC EVOLUTION does not allow its SEENergies to be anything less than remarkable which tantalizes the human brains. Cosmic Evolution has an open-minded approach to Matter, Energy and Time by embracing DIVERSITY as the guiding principle. Stripped down to CHEMICAL ELEMENTS, COSMIC EVOLUTION is a simple record of SEENergetic patterns that showcase some remarkable S.K.E.W., i.e. Skills, Knowledge, Experience, and Webbing. A CREATOR of SEENergies that bear the hallmark of **quantum refinement**.

It continues VARIABLY to evolve the nano-cosmic murmurs of the atoms and molecules, remaining innovative to itself in its workings by timely further reaching into XEENergy as new-rated quanta. Early in time, brainy and cosmic SEENergy became omnipresent realities of COSMIC EVOLUTION giving BEENergy, SEENergy and XEENergy.

Today, brainy SEENergy abstracts or edits numerous been and new terms or words, in order to make SEEN evolving composite meanings of letters by using the murmurs of the atoms and molecules in a systematic manner in the human cosmos.
