

WARNING

ASBESTOS CONTAINING MATERIALS MAY HAVE BEEN USED IN THE CONSTRUCTION OF THIS PROPERTY.

CONTRACTORS: Must refer to www.housing.wa.gov.au to access the Asbestos Containing Materials Register.

OCCUPANT: Asbestos containing material in good condition is safe. Do not break, damage, drill, sand, scrape or wire brush any part of the property. Before attempting any handyman tasks contact your local Department of Housing office or www.housing.wa.gov.au.

Government of **Western Australia**
Department of **Housing**

Insp. Date: 19 / 12 / 15 Insp. Initial: NW

U6/63 Swan Street, Tuart Hill WA 6060

To the left is the *HYPOCRISY* or *LIE* fixed inside the electric meter box by people working for the Government of Western Australia, Department of Housing, on Y15-353, or 19 December 2015.

The next page will show what the FACT or REALITY is indeed.

The English language is **Earthonaut Franz's** second language. Yet, he understands what the *difference in meaning* is for the following to wordings:

Asbestos containing material **MAY HAVE BEEN USED** in the construction of this property – **SEE on the left.** (Page 1)

This product **CONTAINS A SMALL PERCENTAGE OF ASBESTOS** bound firmly into it by cement and other materials. **ASBESTOS DUST CAN DAMAGE HEALTH.** **SEE next page.** (Page 2)

Asbestos-contaminated Property – Western Australian Government’s Hypocrisy or Lie Explained
By **Earthonaut** Franz on Y18-169
